Mechanical Data

Preferably advertising copy should be supplied as a high resolution PDF file with all fonts embedded, by email - newsdesk@practicalfm.co.uk. We can accept .jpg, .tif, PDF, Illustrator and Freehand documents.

Digitally supplied pictures must be a minimum of 300dpi.

Copy that does not meet these requirements may be subject to an additional production charge for making web ready.

It is the responsibility of the advertiser to ensure that all logos, fonts and picture files used are properly licensed.

Practical Facilities Management Limited has an in-house design team and can arrange for the design of customers' adverts. Rates are available on application.

Any graphic or design work undertaken on behalf of the advertiser will be charged in addition to the charges for space.
